

POSITION OPENING

Northland Communications is a nationally-recognized organization specializing in providing a variety of quality communication services that meet the needs of consumers and businesses located in smaller communities. We are seeking an assertive, goal orientated individual with an exceptional aptitude to build and foster relationships through a team environment. Bring your business skills and we will provide an industry career path, surrounded and supported by our seasoned-professional staff and management.

This individual will join our team in the position of:

Project Manager, Southeast

This newly created position is responsible for managing, planning, monitoring and reporting on key projects from conception through implementation. This position reports to the Technical Operations Manager, SE.

The successful candidate will have experience managing project details, collecting data, and reporting effectively to drive project efforts. Communicates with all sides of business including Operations, Engineering, Call Center, Marketing and Business Managers. Candidate will have a superior aptitude for excellent communication skills, the ability to meet goals, and the utilization of organizational skills to establish priorities and successfully manage time and people through assertive and effective communication.

Ability to travel on a regular basis throughout the Southeast is a must. Bachelor's degree or equivalent and ten years cable television industry experience is required. Project Management certification or successful completion of a recognized project management curriculum preferred.

Northland offers an exciting benefits package including subsidized employee and dependent medical, dental and vision insurance, 401(k), company paid life insurance, vacation, holiday and sick pay and educational assistance. Voluntary life insurance and disability coverage are available.

To join the Northland team, please specify the position and salary requirements and send your resume to:
